LOK SABHA

The following Bill was introduced in Lok Sabha on the 24th November, 1965:—

BILL No. 77 OF 1965

A Bill further to amend the All-India Services Act, 1951.

BE it enacted by Parliament in the Sixteenth Year of the Republic of India as follows:—

1. This Act may be called the All-India Services (Amendment) Act, 1965. Short title.

of 1951.

2. In section 2A of the All-India Services Act, 1951, after item 3, the following items shall be inserted, namely:— Amendment of section 2A.

"4. The Indian Agricultural Service;

5. The Indian Educational Service (General Education and Technical Education).".

STATEMENT OF OBJECTS AND REASONS

Under article 312(1) of the Constitution, the Rajya Sabha passed a resolution on the 30th March, 1965, by the prescribed majority, declaring that it is necessary to provide, in the national interest, for the creation of the following All-India Services, namely:—

(1) The Indian Agricultural Service; and

(2) The Indian Educational Service (General Education, Technical Education).

The present Bill seeks to create the aforesaid Services by amending the All-India Services Act, 1951. Under section 3 of the Act, the Central Government would be empowered to make rules for the regulation of recruitment, and the conditions of service of persons appointed, to these Services.

NEW DELHI;
The 16th November, 1965.

JAISUKHLAL HATHI.

PRESIDENT'S RECOMMENDATION UNDER ARTICLE 117 OF THE CONSTITUTION OF INDIA

[Copy of letter No. 1/6/65-AIS(IV), dated the 12th November, 1965 from Shri Jai Sukhlal Hathi, Minister of State in the Ministry of Home Affairs to the Secretary, Lok Sabha.]

The President has, in pursuance of article 117(3) of the Constitution, recommended to the Lok Sabha the consideration of the All-India Services (Amendment) Bill, 1965.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, is not likely to involve large expenditure from the Central Revenues. When the new All-India Services mentioned in the Bill will be constituted, the Central Government will have to bear expenditure on—

(a) Central deputation quota, and

(b) Incidental contributions towards pension, leave salary, etc.

2. As the Central Government is already bearing expenditure in respect of the officers in the Central Services engaged in 'agriculture' and 'education' duties, and in respect of officers borrowed from the State Governments on deputation, the extra expenditure involved under the All-India Services scheme for these Services will be small.

3. As the new All-India Services will be initially constituted from amongst the officers of the State Services, and even the subsequent direct recruitment which will be only a small percentage, will be made in a phased manner, it is felt that the additional expenditure, after the services are constituted, is not likely to be considerable. Since the details of the cadre strengths of various State Governments and the Central deputation quota are still being worked out, it is not possible at this stage to give an estimate of the net expenditure involved.

Secretary.
